

# R-24

## Join Us: Matchmaking at the Biggest Robotics Event of the Nordics

Experience an exclusive platform for attendees to connect, collaborate, and create lasting partnerships that could shape the future of your business.

As the leading B2B robotics event in the Nordics, R-24 proudly presents a unique matchmaking opportunity for professionals in the robotics, automation, and drone industries.

Join us to engage with pioneers and expand your business horizon in a landscape brimming with innovation and growth.

### Why Attend the R-24 Matchmaking Event?

- **Exclusive Networking Platform:** Meet pioneers, key industry players, and fellow professionals – this is your arena to engage with the best in the field.
- **Tailored 1:1 Meetings:** A matchmaking platform tailored to you. Arranging personalized meetings, offering a structured setting for you to meet potential clients, suppliers, project collaborators, and business partners.
- **Expand Your Business Horizon:** Looking for new customers, suppliers, or collaborative partners for upcoming projects? Broaden your network in the fast-paced world of robotics.
- **Complimentary Access:** Free for all R-24 participants.
